GLASS CLEANING 1:256 (1/2 OZ./GL)
LIGHT DUTY CLEANING 1:64 (2 OZ./GL)
MEDIUM DUTY CLEANING 1:32 (4 OZ./GL)
HEAVY DUTY CLEANING 1:20 (6 OZ./GL)
SUPER DUTY CLEANING 1:10 (12OZ./GL)
MOP AND BUCKET 1:128 (1 OZ./GL)

DO NOT USE THIS PRODUCT ON MARBLE OR OTHER ACID SENSITIVE SURFACES.

PRODUCT APPEARANCE: Clear liquid, citrus fragrance added.

PRODUCT APPLICATIONS: Use to clean glass and polished surfaces, routine damp mopping of floors, spray and wipe for routine cleaning, and heavy duty cleaning. Spray product on surface and wipe clean with damp cloth.

HANDLING: Protective gloves and goggles should be worn. Wash thoroughly after handling. Keep out of reach of children. Contact with undiluted product may cause eye damage, skin irritation and damage to some surfaces. This product is designed exclusively for industrial uses by trained professional maintenance personnel. Label directions and Material Safety Data Sheet (MSDS) precautions must be followed exactly.

DISPOSAL AND SPILL INFORMATION: As with all cleaning and maintenance procedures, run-off from the cleaning of maintenance process should be diverted to a collection vessel, or where permitted, to a sanitary sewer (consult local and state regulations) and not allowed to soak into the ground or to enter a storm sewer. To dispose of any unused excess product in general or if this product is spilled or contaminated and cannot be used, creating the need for disposal, absorb product on an inert absorbent material, and deposit in a clean, sealable container for disposal. Rinse area well with water. Empty product containers may be recycled in areas where community recycling programs are available.

Improper use and dilution may result in damage to some surfaces.

PERSONAL PROTECTIVE EQUIPMENT:

RESPIRATORY PROTECTION: If TLV of the product or any component is exceeded, a NIOSH/MSHA jointly approved air supplied respirator is advised. Engineering of administrative controls should be implemented to reduce exposure.

VENTILATION: Provide sufficient ventilation.

PROTECTIVE GLOVES: Wear chemical resistant gloves such as nitrile rubber.

EYE PROTECTION: Chemical splash goggles are advised.

OTHER PROTECTIVE EQUIPMENT: Wear impervious clothing.
